

A vibrant, high-angle photograph of a waterfall in a dense, green forest. The water is captured in motion, creating a soft, white mist as it falls over dark, wet rocks. The surrounding foliage is thick and varied, with many green leaves and ferns. The overall atmosphere is fresh and natural.

**Go Green
with STOKO®**

STOKO®
Skin Care

Green Seal™ Certified means it meets rigorous, science-based environmental leadership standards. From a safer formulation for human health to reduced and recyclable packaging, which is better for the environment, STOKO Green Seal certified products provide a responsible and environmentally healthy hand hygiene program.
